COURSE DESCRIPTION

Our math class will focus on practical applications of math that can be used in real life settings. Students will complete various project based learning activities that will help them with future life decisions such as grocery shopping, renting an apartment, and budgeting.

GRADING POLICY

50% Tests

30% Quizzes

10% Homework

10% Participation

**This class isn't given a numerical grade.

HOMEWORK POLICY

Homework will be given at least once a week. Students are expected to complete homework independently and bring to school the following day.
